Dear Requester:

This is the final response to your Freedom of Information Act (FOIA) request, originally received by the United States Secret Service (Secret Service) on September 2, 2014, for information pertaining to cell simulators to include acquisition, agreement with any other entity to borrow, transfer or permanently acquire any cell site simulator, policies and guidelines governing the use of cell site simulators, training materials for use of cell site simulators.

In response to your request, the Secret Service has conducted a reasonable search for responsive records. It appears, from a review of Secret Service's main indices, that there are no records pertaining to your request that are referenced in these indices.

If you deem our decision an adverse determination, you may exercise your appeal rights. Should you wish to file an administrative appeal, your appeal should be made in writing and received within ninety (90) days of the date of this letter, by writing to: Freedom of Information Appeal, Deputy Director, U.S. Secret Service, Communications Center, 245 Murray Lane, S.W., Building T-5, Washington, D.C. 20223. If you choose to file an administrative appeal, please explain the basis of your appeal and reference the case number listed above.

Additionally, you have the right to seek dispute resolution services from the Office of Government Information Services (OGIS) which mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. Please note that contacting the Secret Service's FOIA Program and/or OGIS is not an alternative to filing an administrative appeal and does not stop the 90-day appeal clock. You may contact OGIS at: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001. You may also reach OGIS via e-mail at [ogis@nara.gov](mailto:ogis@nara.gov), telephone at 202-741-5770/toll free at (877) 684-6448, or facsimile at (202) 741-5769.

If you need any further assistance, or would like to discuss any aspect of your request, please contact FOIA Analyst, [Mr./Ms. Analyst Last Name], or our FOIA Public Liaison Kevin Tyrrell, at (202) 406-6370. Alternatively, you may send an e-mail to [foia@ussss.dhs.gov](mailto:foia@ussss.dhs.gov).

FOIA/PA File No. 20140958 is assigned to your request. Please refer to this file number in all future communication with this office.

Sincerely,

Kim E. Campbell
